1. How did you get started in Insurance?

My dad got me started in insurance about seven years ago. He had been an agent for years and needed some help in his office. I started out filing and answering phones, but soon got my license and started writing new policies as well. I worked with my dad until he started working as a Catastrophic Claims Adjuster when Hurricane Katrina hit.

2. What are some of your non-work related hobbies?

I enjoy playing sports (softball, basketball, volleyball) when I have time. I also like going to the lake with family and friends. I attend Church on the Move and love it. One of my favorite non-active pastimes is a karaoke game called "Lips" for the Xbox. But, I'm not sure the people around me enjoy my singing as much as I do!!

3. Tell us a little bit about yourself.

I am the mother to a beautiful baby girl. My world has drastically changed since she joined it, and I am loving every minute of it! I go to school full time at Rogers State University, and plan to go to Oklahoma University when I finish at RSU. I have the best family and friends in the world. I don't know what I would do without them...or what they would do without me!

Christmas Funnies: Reindeer's Story at Christmas

According to the Alaska Department of Fish and Game, while both male and female reindeer grow antlers in the summer each year, male reindeer drop their antlers at the beginning of winter, usually late November to mid-December.

Female reindeer retain their antlers till after they give birth in the spring. Therefore, according to EVERY historical rendition depicting Santa's reindeer, EVERY single one of them, from Rudolph to Blitzen, had to be a girl.

We should have known... ONLY women would be able to drag a fat man in a red velvet suit all around the world in one night and not get lost.

Trust Him?

On the Sunday before Christmas Reverend Billy Graham was walking down Highland street in Mt Holly, North Carolina on his way to see a parishioner. However, he wanted to post a parcel urgently so he asked a young boy where he could find the post office. When the boy had directed him, Reverend Graham thanked him and said, 'If you'll come to the Church this evening, you can hear me telling everyone how to get to heaven.'

The boy replied, 'I think I'll give your sermon a miss. If you don't even know your way to the post office, how will you lead me to heaven?'
